ARRA Update
10th Annual Wind and Renewable Energy Conference
October 7th, 2009

American Recovery & Reinvestment Act of 2009

Kansas Housing Resources Corporation administers five ARRA programs:

- 1. Kansas Weatherization Assistance Program*
- 2. Housing Credit Exchange Program*
- 3. Tax Credit Assistance Program*
- 4. Homelessness Prevention and Rapid Re-Housing Program*
- 5. Community Services Block Grant*

Kansas Weatherization Assistance Program (K-WAP)

Purpose:

- Make low-income households in single or multi-family dwellings more energy efficient.
- Leakage reduction, repairs, furnace and cooling system repair/replacement, insulation, refrigerators.

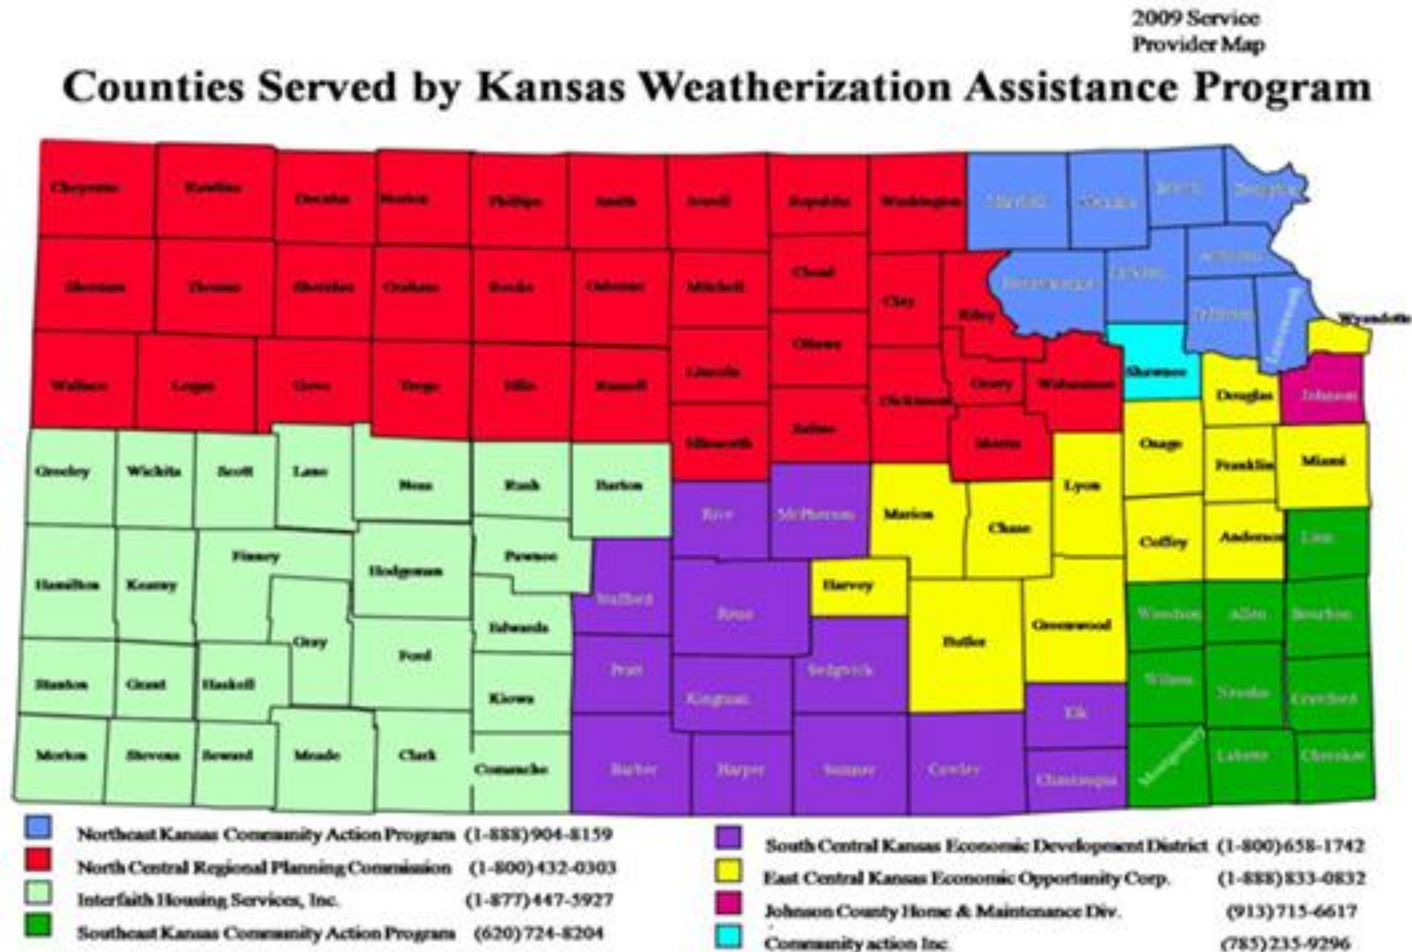

Kansas Weatherization Assistance Program (K-WAP)

Income eligibility:

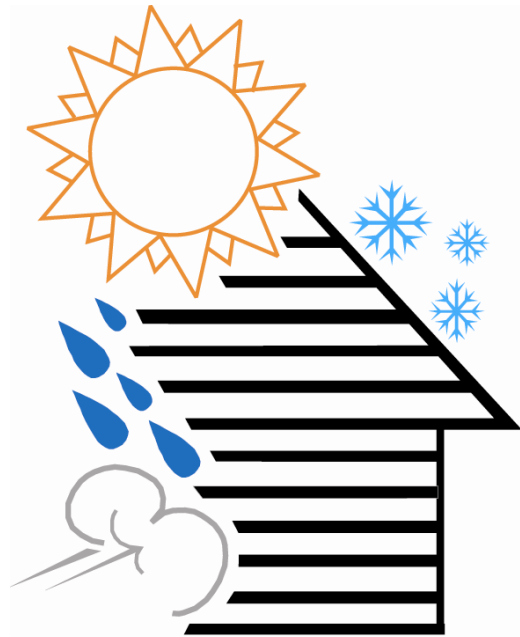

- At or below 200% poverty level
- Single - \$20,800 annually
- Family of 4 - \$42,400
- Increased average cost of repair is now \$6,500

K-WAP's 8 Local Service Providers

Weatherization Funding

2004-2008

*Weatherization
Works*

Year	DOE	LIEAP	Total
2008	\$ 2,518,837	\$ 2,497,970	\$ 5,016,807
2007	\$ 2,264,099	\$ 2,501,390	\$ 4,765,489
2006	\$ 2,706,214	\$ 4,415,873	\$ 7,122,087
2005	\$ 2,262,771	\$ 2,149,146	\$ 4,411,917
2004	\$ 2,390,904	\$ 2,548,024	\$ 4,938,928
Average	\$ 2,428,565	\$ 2,822,481	\$ 5,251,046

2009 DOE/LIEAP Expenditures

Status:

- 407 homes completed
- 471 homes in progress
- 1,329 on waiting list

*Weatherization
Works*

American Recovery & Reinvestment Act of 2009

K-WAP Funding: \$56 Million

- *\$16 Million for multi-family program
(Focus on tax credit, USDA, Section 8 properties)*
- *\$40 Million for single-family dwellings*

Total: KHRC expects to weatherize 5,820 housing units in Kansas over the next three years.

A photograph showing Governor Mark Parkinson on the left, wearing a dark suit, white shirt, and a patterned tie, looking towards a water heater. On the right, a technician wearing a tan baseball cap and a grey shirt is using a yellow and black heat gun on the water heater. The water heater is white with a blue top and has a 'U.S. CRAFTMASTER' logo. It is situated in a utility room with a brick wall and wooden framing. Various pipes, including copper and galvanized steel, and a large metal vent pipe are visible above the water heater.

American Recovery & Reinvestment Act of 2009

Multifamily Program

- *First pilot program started Sept. 4th*
- *Location: 13th & Van Buren, Topeka*
- *18 Units*
- *Scope of work to include: new heat pumps, refrigerators, air sealing and two window replacements.*

ARRA Activities

- Homes Completed 8
- Homes in Progress 542
- Homes on Waiting List ... 1,030

Residential Appliance Replacement Program

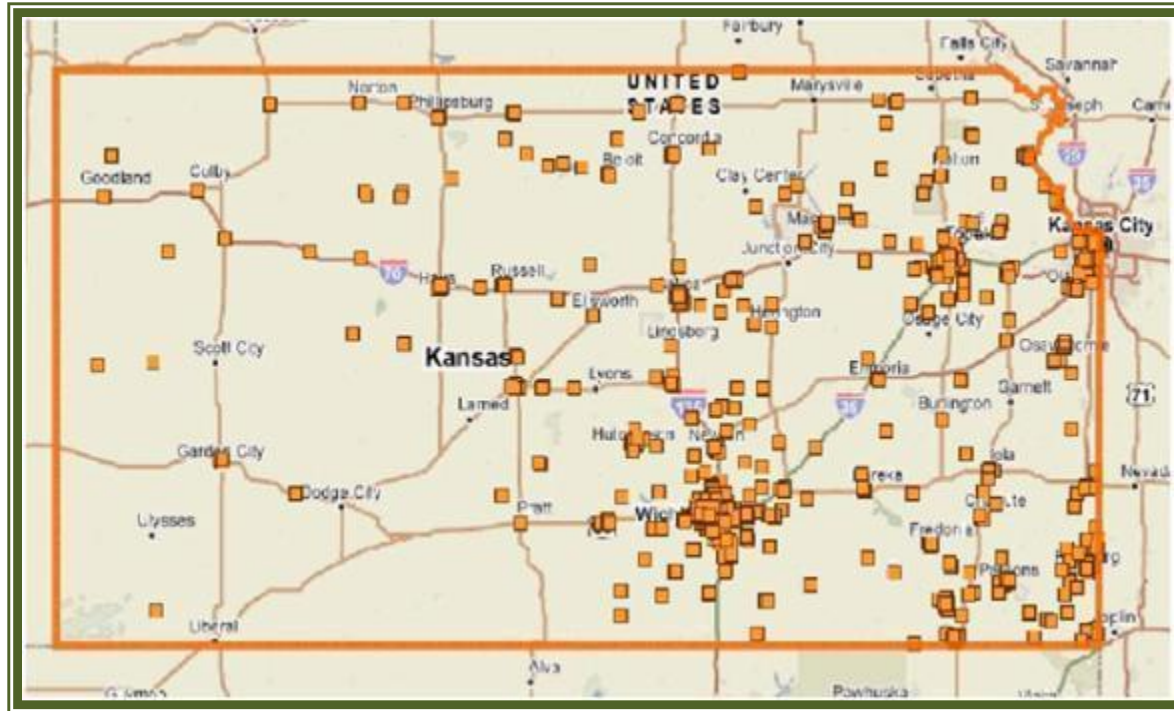

- Utilized \$4 million in LIEAP funding
- Statewide initiative
- Goal to replace unsafe, energy hog appliances
(Refrigerators, water heaters, heating and cooling systems, window air units)
- Install new, energy-efficient models

Residential Appliance Replacement Program

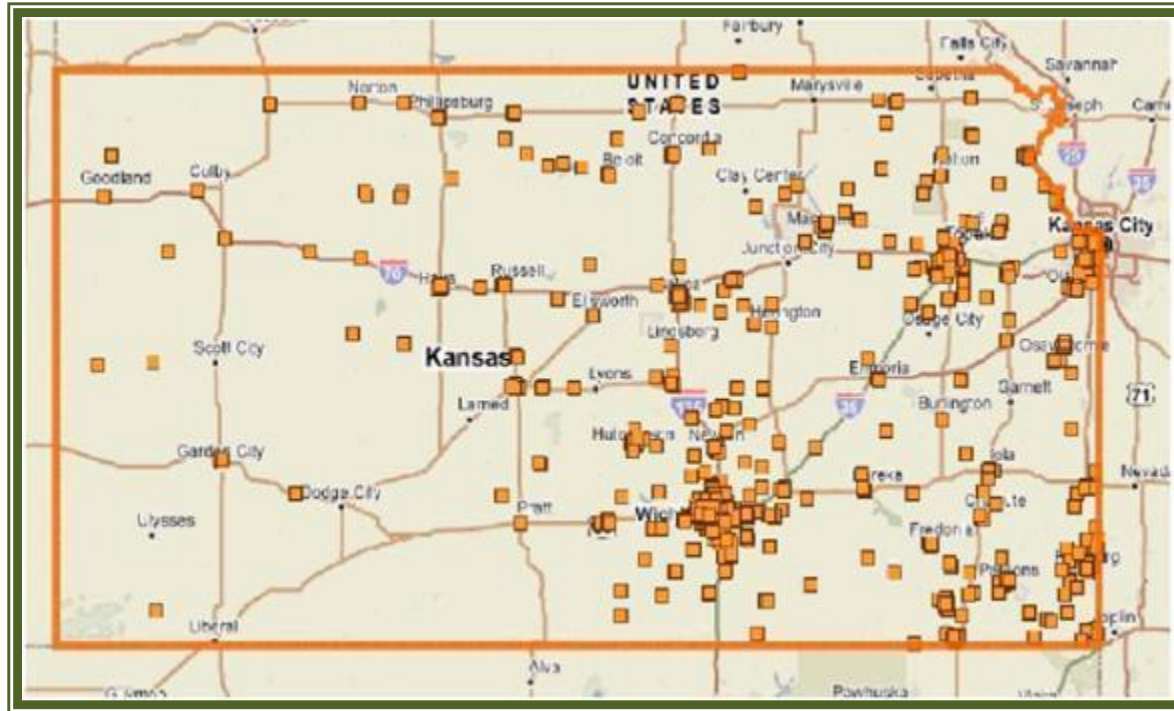

- Due to high popularity of program, KHRC closed the application process after two weeks.
- \$7 million in applications denied due to lack of funding

Residential Appliance Replacement Program

Status: 1021 homes served, \$3.9 million expended

Residential Appliance Replacement Program

**Status: 573 furnaces, 660 air conditioning units,
155 tankless water heaters, 712 refrigerators**

Residential Appliance Replacement Program II

- DOE awarded \$2.7 million to State Energy Office
- Residential appliance rebate program
- KHRC signed on to administer program
- Awaiting final plan approval from DOE
- Could launch in November
